Directions: Read and think about the quotes and then discuss how education (personal, cultural, and societal) could benefit one of the following characters: Bob Ewell, Mayella Ewell, Walter Cunningham, or Aunt Alexandra.

"As you grow older, you'll see white men cheat black men every day of your life, but let me tell you something and don't you forget it—whenever a white man does that to a black man, no matter who he is, how rich is, or how fine a family he comes from, that white man is trash."
-Atticus

"I'll tell you why," she said. "Because—he—is—trash, that's why you can't play with him. I'll not have you around him, picking up his habits and learning Lord-knows-what." –Aunt Alex

Education: The act or process of imparting or acquiring general knowledge, developing the powers of reasoning and judgment, and generally preparing oneself or others intellectually for mature life.
